COMPANY PROFILE

Our Story

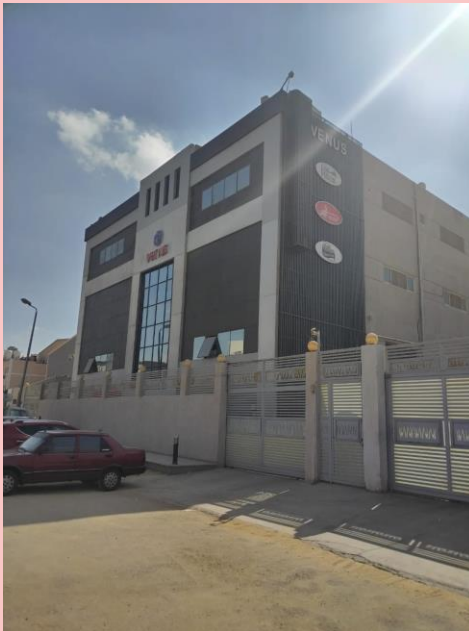

ABOUT US

Golden Venus is a premier player in the food and beverage industry, headquartered in both Egypt and the UAE. Since our founding, we have specialized in shop-in-shop operations, supplying and manufacturing a diverse array of high-quality products, including: nuts, spices, frozen food, frozen dough, sweets, bakery products, cake premixes, and dried fruits.

OUR JOURNEY

Since 1944, Golden Venus founder's family has cultivated an 80-year legacy in the food and beverage industry. Building on this rich heritage, we began our journey in 1997 by serving the local Egyptian market. In 2016, leveraging our deep-rooted expertise, we embarked on an ambitious expansion plan, broadening our horizons to the GCC countries—including the UAE, KSA, Oman, and Bahrain—and venturing into international markets.

COMMITMENT TO QUALITY

At Golden Venus, quality is paramount. We source raw materials from highly reputable suppliers worldwide, ensuring that our products meet the highest standards of excellence. Our global network of suppliers and our exceptional manufacturing expertise allow us to deliver the superior quality our customers expect and trust.

WHY GOLDEN VENUS?

DIVERSE PRODUCT RANGE

Comprehensive offerings to meet varied customer needs.

COMPREHENSIVE REACH

Strong presence in the region

QUALITY ASSURANCE

Commitment to sourcing from top-tier suppliers.

INNOVATIVE SOLUTIONS

Cutting-edge manufacturing processes.

Broad Network & Market Leadership

Golden Venus proudly serves over 3,500 clients, including leading hypermarkets, supermarkets, hotels, restaurants, and agents.

Our extensive network ensures that our high-quality products—ranging from nuts and spices to pulses, dried fruits, bakery products and coffee—are widely accessible across Egypt and the GCC.

We have a robust presence in the GCC, partnering with major hypermarket chains in the UAE, Bahrain, Oman, KSA and Egypt. Additionally, our comprehensive food service and distribution channels support efficient delivery and service, reinforcing our market leadership and commitment to exceptional product availability and customer satisfaction throughout the region.
